

The TU Berlin Summer University is a high-quality academic summer program for international students interested in studying in Berlin, Germany.

This summer, we are offering 20 courses in specialized disciplines such as Engineering, Satellite Design, 3D Printing and Climate Change. All teaching is in English and classes are held on the main campus of the Technische Universität Berlin (TU Berlin).

The TU Berlin Summer University 2018 **opens its doors on June 11th and ends on August 16th.**

Courses take place across three academic terms, as below. Students may choose from four, six and ten-week course combinations and can earn up to 13 ECTS (European Credit Transfer and Accumulation System) credit points.

Accommodation is available, students receive both a public transportation ticket and 24-hour support from the Summer University team on site.

A cultural program is included, offering historical visits, team-building and social activities.

Online registration is now open and the Early Bird discount rate is available until February 28th 2018.

Please refer to our website, to find detailed information about our program: http://www.tu-berlin.de/summer_university/ or to our brochure, which is attached and available [online](#).

Term 1 JUNE 11 – JULY 5	Term 2 JULY 9 – JULY 20	Term 3 JULY 23 – AUGUST 16
Precision Engineering	Start German	3D Scanning & Printing
Programming in Java	Innovation & Entrepreneurship	Acoustical Engineering
The Edible City	Arduino for Interactive Media	Startup Crash Course
Mediascape Berlin	DesignBuild Summer Studio	CanSat: Satellite Design
German Language		Global Climate Change
		Computational Engineering
		Berlin as a Smart City
		Natural Disasters & Information Systems
		1950-2050: An Energy (R)evolution
		Blue Engineering
		Decision Making for Business Operations
