Application Guide for **BIP 2024 Social Implications of Artificial Intelligence** at Universitat Politècnica de València.

PRE-REGISTRATION

1. Click on the following link

https://aplicat.upv.es/aire-app/views/gestionSolicitudesEntrantes/registro/inicio.xhtml?p_idioma=i

2. You will see this webpage. If it is the first time that you access, you must click on the yellow highlighted option (to access again click on the blue highlighted option).

3. The program highlighted in yellow is the one you are applying for, you don't have to select anything from this table, just complete the information below about your Home Institution.

You need to select the country of your university and your exact Institution/university. Please, make sure you select the correct institution, otherwise your application won't be accepted.

In "Activity", keep the option already checked and go "NEXT".

Instructions

Pre-registration Academic year: 2024/2025

This site is aimed solely at exchange students or staff who have been selected by their home institution for a mobility period at the UPV under an academic exchange program.

Instructions

This site is aimed solely for exchange students or staff who have been selected by their home institution for a stay at the UPV under an academic exchange program.

Destination Data

You must select the correct seeking admission center (school, faculty, research institute, etc.) of the UPV. This selection is very important. If you are not sure, please contact your academic coordinator at YOUR institution before making a wrong choice.

When selecting the center, school, faculty ..., please note that the UPV has three campuses (Valencia-Vera, Gandia and Alcoy), choose correctly.

UPV centers, schools, faculties	Campus

EMAS

REGISTRATION

Approved students will have to enter in the system again by choosing the option: "Complete an application (I already have a login and a password)".

To complete the application click on "Edit" (pencil symbol) and proceed completing required information following the path below:

"Application request": Check the personal data and the information from your home University. Select a Tutor (coordinator) for your exchange. If any changes are introduced, click on "save" and "next". In the field "degree of access" write the name and level of your current degree (bachelor in X, laurea triennale in X). etc.

Sections "Destination", "Academic Agreement", Mentor/Spanish courses" **are NOT necessary** for Short Mobilities / Blended Intensive Mobilities. In case you need to select a degree, please select:

156- Grado en Ingeniería Informática or Bachelor's Degree in Informatics Engineering

"Confirm application" Once you have completed all the information you will have to go to the "confirm application" section. At this stage you will be informed of the documents you have to

upload (attach) so that your application can be accepted. Remember that after confirming your application you will still be able to upload documents. In fact the option is only displayed once you click on Notice that after confirming your application you will still be able to upload (attach) documents.

“Status of the application”. Under this section you will be able to attach all the required documents, but if we have received a list of selection with your name from your home university, these documents **are NOT necessary**:

- Motivation Letter (in English)
- Transcript of Records (Home university)
- Certificate of Languages (English)

Once your application is completed. the International office of your Host UPV School will review the application and confirm your acceptance by sending an acceptance letter or email to your home coordinator, to you or both.

Students will be able to see the status of their application in the online system:

Status of application:	
<input type="checkbox"/>	Draft
<input type="checkbox"/>	Application confirmed
<input type="checkbox"/>	Application being assessed
<input type="checkbox"/>	Application Accepted School/Faculty
<input type="checkbox"/>	
<input type="checkbox"/>	Application Canceled
<input type="checkbox"/>	Application Rejected School/Faculty
<input type="checkbox"/>	Student Resignation
